Описание:

Probably it will be difficult to find something more unique than this 2 bedroom garden apartment, as it is not only being built by one of the leading developers on the island and the quality will be 100%! But there are several swimming pools that run amazingly throughout the complex. Imagine relaxing in your apartment, swimming in the pool next to your apartment and enjoying uninterrupted views of the sea and mountains! That's right - ice gin and tonic and watch the uniquely beautiful sunsets! There is nothing more perfect than this!
