Описание:

This beautiful apartment development is located in Bogaz, just 300 meters from sandy beach and a short drive from restaurants, shops, historical landmarks and city of Famagusta.

For sale is offered a wide choice of one bedroom apartments with different living areas, levels of completion (off plan, ready and in construction process), and with mountain, pool or sea views. The apartments are sold with fitted wardrobes in bedroom, built-in kitchen units, and high-quality bathroom accessories. Each apartment has a balcony too to enjoy Cyprus sunsets and sea breeze.

Given the location, quality, and the established popularity of the complex, the apartments will only grow in price and are a fantastic investments opportunity. Holiday and long-term rentals are also highly sought after in the area.

Location:

It's no secret that the Bogaz region, Iskele, is one of the most popular areas on the island. Millions of pounds are invested in it, including 1 new 5-star hotel and the country's first 7-star hotel. Being in the center of this fabulous place, you make a fantastic purchase, making a profitable investment, and also have a holiday home, all of it with a convient payment plan.
