## Описание:

The new ambitious project offers a luxurious life in a resort style in the heart of the Long Beach region. The complex will be located 400 meters from the beautiful beach of the Mediterranean Sea, it will be a magnificent addition to the coast, offering residents of the complex unique views of the apartment, combined with excellent infrastructure.

The project is located opposite two five-star casino hotels on the first coastline. This will undoubtedly make the residential complex an ideal choice for your investment.

Exceptional and comfortable living conditions in the new project will be offered to residents 365 days a year. The complex involves four towers of different heights, the first of which will become a luxury hotel, apartments from the 9th floor to the 30th floor are high-class apartments with spacious view terraces for maximum convenience of residents. In total, 686 comfortable apartments will be located in the complex.
Several types of objects are available for clients to choose from - studios, 1 + 1, 2 + 1, 3 + 1 and luxury penthouses 4 + 1 and 5 + 1.

The aim of the designers was to include the endemic plants of Cyprus in the overall landscape of the complex and create a harmonious environment. The complex combines the experience of running a hotel business and offers customers an innovative investment option. A 24-hour front desk and lobby area will welcome guests to Hotel Block A, which will act as an alternative to the five-star hotels opposite. The quality of the service provided will increase the tourism potential of the region and ensure a high return on investment.
