Описание:

These stunning 4 bedroom homes are located in the popular Lapta area, just a short walk from the coast, shops, restaurants and all the amenities you need to live. These wonderful villas are modern in design and of fantastic quality as they are being built by one of the leading developers in Kyrenia; all villas have their own private garden and many extras that most builders provide for an extra cost! The center of Kyrenia is only 15-20 minutes away and Nekat British College is 5 minutes away. A convenient payment plan is available, and there are only a handful of 4 bedroom detached houses. House area 220 sq.m., plot 350-430 sq.m. (choice)
