Representing excellent value for money, we are pleased to offer this spacious top floor penthouse loft apartment, which will be an ideal home or rental property. Villas with a unique design, on the first line of the complex and the sea, are offered for sale at a starting price at the initial stage of construction.

The villa has a total area of 325 sq.m.

125 sq.m. – roof terrace

Terraces in the house - 75 sq.m.

The well-maintained complex offers secure entry through a central security gate, swimming pool, playground, fully equipped gym, DVD library and landscaped landscaped gardens.

Buy an apartment in the largest residential project, 500 units, on the seafront with studios, 1+1, 2+1 attic penthouses and luxury 3 bedroom villas.. Located on the coast of Tatlisu, the project includes artificial rivers, lakes and islands scattered around throughout the site with the addition of our renowned garden designs.

The complex has a heated indoor pool, spa, restaurant, bar, gym, basketball and tennis courts.

The project is scheduled to be completed by the end of 2025.
