Описание:

The project of villas is located on the coast in the Bogaz area, having chosen a unique location - near sandy beaches: mountain views, next to the infrastructure of the popular Iskele, but in a quiet and peaceful place. The new highway, located nearby, guarantees fast and comfortable car delivery to the airport, Famagusta city or Karpaz. There is a popular water park next to the complex, which residents of the complex can use at any time, and the state sandy beach is literally 10-15 minutes of a pleasant walk.

Townhouses for four families offer modern design and finishes. On the first floor there is an open plan kitchen and living room, as well as a toilet and a bedroom, on the second there are two bedrooms, each with a separate shower room and balcony.
