Описание:

We are pleased to offer you another magnificent apartment project, in which two-room and three-room apartments are offered for sale. The project will be fully commissioned in January 2024.

The complex is conveniently located in the Alsanzhak settlement, which is already beloved by everyone, where there is all the necessary infrastructure for life and recreation: beaches, shops, schools, supermarkets, kindergartens.

The apartment complex consists of five apartment blocks, in which 74 apartments with one and two bedrooms will be located. Buyers have the opportunity to purchase an apartment with a view of the sea, mountains, pool.

The infrastructure of the complex offers spacious gardens, parking, security - 24 hours a day and a video surveillance system.
