Описание:

A property with perfect sea views, with a beach within walking distance, in a resort location where low-rise buildings do not interfere with a calm and relaxed atmosphere? We have such apartments!

This stunning open plan penthouse features a collection of high quality fixtures and finishes. They include high-quality Spanish floor tiles and parquet ceramics in the bedrooms, floor-to-ceiling windows in the living room, a modern kitchen with a luxurious work surface and upgraded appliances, super stylish bathrooms and designer furniture (for a penthouse show).

The Panoramic Rooftop Terrace boasts 360-degree views of the beach, mountains and lush community gardens and is equipped with a private Jacuzzi, summer kitchen, BBQ, shower and ample space for relaxing and dining al fresco.
