Описание:

The residential complex is located just 600 meters from a sandy beach and offers 738 apartments and villas. It perfectly combines the freshness of the sea breeze, landscaped greenery, and modern living, making it an ideal choice for both comfortable living and smart investment.

At the heart of the area is a restaurant with a lounge area by a large pool. Around 40% of the territory is dedicated to landscaped green zones with walking paths. Residents can enjoy an aqua park, children's pool, playground, amphitheater, tennis and basketball courts. Comfort and security are ensured with 24/7 surveillance, parking for residents and guests, disabled-friendly access and parking, generator, internet, central satellite system, and video intercom.
