Studios and lofts in a boutique complex in Iskele

s-isl-090

Описание:

New residential complex, low-rise boutique complex, located in Iskele, Northern Cyprus, just 5 minutes from the city center and the beach. The gated residential complex has a spacious and functional architecture and consists of 184 studio apartments and studio lofts.

The sea is only 600 meters from the complex, and nearby, within walking distance are restaurants, banks, beauty salons, cafes, a promenade for walking, a bicycle and jogging path - 12 km, a children's playground and an amusement park. Thanks to the location, quality and infrastructure, the apartments in the complex are perfect for holidays, rentals or living.

The project consists of 20 blocks and includes 184 studio apartments and studio lofts. The laconic and functional architecture of the complex is designed to satisfy all your needs.
