Studios, apartments and lofts in a new complex on Karpaz, enjoy nature

S-KZ-34

Описание:

If you decide to buy a house in Northern Cyprus to escape from the hustle and bustle, to relax there, enjoying the gifts of generous nature, admiring the unique panoramas of the sea, evergreen mountains or flowering fields and grazing wild donkeys.
And today you have this opportunity! Escape from the noisy city to the expanses of unique nature.

A modern complex consisting of 34 apartment blocks offers you 204 different apartments and 6 shops, as well as all the infrastructure necessary for recreation or living.
This unique residential complex offers studios, one and two bedroom apartments, ground floor apartments and lofts for sale. For detailed information, contact Alliance-Estate representatives.
