Описание:

These stunning villas nestled in a beautiful location in Esentepe, on the side of a mountain. Each villa boasts a unique panorama of the sea and mountains. The proximity of the entire infrastructure of the Esentepe settlement - shops, schools, police, as well as magnificent sandy beaches and an international golf club makes it possible to consider the apartments as a residence, as well as for rent or for investment. The design of the villa is sustained in Mediterranean style, incorporating elements of natural stone in warm colors. A large terrace on the second floor and an open-air roof terrace provide a large outdoor seating area while enjoying the magnificent views.
