Premium class apartments in the centre of Kyrenia

s-ki-38

Описание:

These premium class apartments are for those who plan to profitably invest in exclusive properties, because they never fall in price.

Located in the heart of Kyrenia, the luxury apartment apartments not only offer stunning sea and mountain views, but also have all the necessary features for the most comfortable living in the city. The communal area for residents includes swimming pools, parking lots, elevators, the best finishing materials in the public and private area. Apartments with two bedrooms, located on the 3rd - 9th floors, have a closed area from 75 sq.m., terrace area from 13 sq.m.,

Standard specifications for this class of apartments include built-in kitchens, aluminum windows and sliding doors, ceramic non-slip floors in bathrooms, built-in wardrobes.

The price of apartments with two bedrooms depends on the floor, area, type and view.
