Описание:

This complex was created for those who are tired of the bustle of the city and dream of living in comfort and coziness. A comfortable apartment complex offers 3 three-storey blocks with a communal area and a swimming pool.. A small number of residents allows you to maintain the feeling of a private home and privacy
Territory development takes into account many factors, one of which is careful integration into the ecosystem. The company not only preserves the existing vegetation, but also greens the territory with new types of plantations. And the overall atmosphere is complemented by a developed infrastructure around the complex. Supermarkets, a beach, a stadium, restaurants, a school, a kindergarten are within walking distance.
