Описание:

In this project, all the details for a comfortable life both inside the house and outside, in the complex were thought through.
Villa for two families - already familiar to many type of real estate, because it is a comfortable and inexpensive opportunity to live in your own house with a private entrance on the very shore of the Mediterranean Sea. Only a few minutes walk separate you from the cool azure waves, and the noise of a light surf becomes part of your life.
The townhouse for two families offers a comfortable life on three levels - a living room and kitchen area on the first floor, two bedrooms on the second and a spacious terrace - on the third.
The closed area of the villa is 90 sq.m.
The area of terraces is 37 square meters. m. + a spacious roof terrace - 50 square meters. m.
