Two-room apartments in the center of Kyrenia - choose your view from the window

s-ki-08

Описание:

The complex, consisting of two blocks, is located in the center of Kyrenia, where you will wake up with a view of the unique beauties of the Besparmak mountains and the Mediterranean Sea. At the same time, the complex is only 1 minute from the Nicosia-Kyrenia highway, which allows you to quickly reach other cities. You will also get to all the amenities of Kyrenia very quickly.

Loft-style apartments with unique architecture and design give you many investment opportunities as a store, office, or your own living space. Excellent location, beautiful design, modern finishes in a complex with excellent infrastructure.

The residence offers apartments of various layouts, loft apartments, offices,...
