Two separate plots of land for building a house

s-land-12

Описание:

Two picturesque plots are offered for sale in Bahceli. The plots are located on a mountain slope and offer beautiful views and an environment of evergreen trees.

The plots have a road, electricity and water. Building percentage 35%.

The land plots are separated by a wall made of natural stone. Ideal for building a house.

65 000 GBP each.
