Uniquely located complex in Bahceli

Описание:

A uniquely located complex in Bahçeli, located on the first line of the sea, is not just a profitable investment, it is the purchase of luxury real estate just two minutes walk from the beach with unrivaled views of the sea and mountains. Buying an apartment in this complex means completely changing your lifestyle, exchanging it for a unique environment of untouched nature, an amazing climate, delicious products, and of course the unsurpassed quality of construction, which offers a comfortable and beautiful life!

Construction will be completed at the end of 2024

For sale are studio apartments on the ground floor around the main pool/restaurant

2+1 loft apartments with a mezzanine floor surrounding the main pool/restaurant area

two- and three-room apartments on the first line
